

Lindie Lou

Adventure Series

Draw a line from the Cause column to the Effect column. Think about, because this happened, what in the story happened next.

Cause

1. Bryan was going to Svalbard to...
2. Lindie Lou was cold and weak because...
3. Lights were put in the ice cave and turned on every morning because...
4. Steve was going to Svalbard to...
5. Lindie Lou was trapped in the ice cave because...
6. Lindie Lou and Nanook were able to explore the Arctic together because...
7. A fence was built around the Coal Miner's Cabin because...

Effect

- a. The people and animals staying there needed to be protected from wild animals.
- b. Giant icicles broke off of the ceiling, rumbled down the path, and landed in a pile blocking her way out.
- c. Martin wanted the visitors to be able to see inside the beautiful ice cave.
- d. She was trapped in the ice cave for a long time and did not have warmth or food.
- e. Visit the Arctic and study the Northern Lights.
- f. Nanook followed Lindie Lou to the observatory and Lindie Lou trusted Nanook.
- g. Take pictures and record videos for the team.
