Opinion and Theme

Answers will depend on the reader's opinion.

Possible Answer:

Theme: Lindie Lou is very young, and naïve at the beginning of the book. Jeanne Bender's is trying to teach the reader that as Lindie Lou grows she has many different and new experiences. Those experiences will help her become more independent, confident, and trustworthy. However, she also wants Lindie Lou to learn that she is too young to do some things, too young to sometimes be on her own, and she also has to earn people's trust.
